

THANK YOU
for shopping
LOCAL

Local Business Directory

**MACTAQUAC COUNTRY CHAMBER OF
COMMERCE & DESTINATION NACKAWIC**

Reasons to Shop Local

There are many reasons to shop local, some of which include:

- Local economic stimulus
- Reduced environmental impact
- Better customer service
- Local business owners invest in community
- Keep money local
- Locally made products
- Connect with people in your communities
- Future growth
- So much more!

#shoplocalMCCC&DNEDC

SHOP LOCAL AND WIN!

Several local businesses, the Mactaquac Country Chamber of Commerce and Destination Nackawic Shop Local program is pleased to offer a draw for a gift basket comprised of local gifts and services. This Shop Local and Win promotion runs from November 15 to November 30, 2021. The draw date for this gift basket will occur at noon, December 10, 2021. Scan the code with your phone to be entered in the draw (1 entry per person).

VISION

"Become a stronger and more effective organization through increased membership and membership participation. To enhance the profile of the chamber as the leading organization that regional businesses will want to join."

MISSION

"To promote Chamber members by providing tangible benefits, acting as a catalyst for networking and educational opportunities, and serving as a vehicle for economic growth. We will be the voice and advocate of business in Mactaquac Country."

The Mactaquac Chamber of Commerce and Destination Nackawic Economic Development Corp. have teamed up to create a shop local campaign, supported by the Government of Canada and the Atlantic Chamber of Commerce!!! Our focus has been the creation and distribution of this local business directory, like yellow pages, exclusively highlighting businesses within the region. This includes this mailout of the directory to 15,000 plus residents in the rural region of South and West York County of NB, including Mactaquac, Nackawic, Harvey, Keswick, Millville, Canterbury, Upper Kingsclear, and Meductic.

The directory is designed to promote our local businesses; to make them visible and easy for consumers to learn about our local businesses so they can make decisions to support local whenever possible. The MCCC will be updating this regularly; contact us for updates to your listing or to add your business.
